Instructions to Delegates

1. Parliamentary Authority

- a. The International General Assembly has adopted *Robert's Rules of Order, Newly Revised*, as our parliamentary authority. The latest version is the 12th edition, published in 2020. This is the edition that will be used in the International General Council and the International General Assembly business sessions.
- b. The International General Assembly has also adopted some self-imposed rules for the manner in which business can be conducted in the International General Council and the International General Assembly business sessions. We cannot violate our own Bylaws. Any motion to suspend the rules and introduce business prior to the completion of the work of the agenda is not allowable because it would impinge upon the bylaws and would amount to an attempt to suspend the Bylaws, which is never allowable. (Bylaws may be amended, but only under circumstances of previous notice.)
- c. All business will be conducted in an orderly fashion.

2. Seating of Delegates

- a. Only registered ordained bishops are to be seated in the sections identified for ordained bishops. Credentials must be openly displayed at all times.
- b. Ordained ministers, exhorters, and laypersons can be seated in any area beyond those designated for the International General Council.
- c. These business sessions are being video streamed live, with delay, on the Internet. All cell phones, tablets, and any other electronic communication devices should be silenced during the business sessions. **Audio or video recording of the business sessions is not allowed.**

-
- d. All delegates must be registered and displaying credentials to attend business sessions. This includes ordained ministers, exhorters and laypersons. The registration booth is located in the Main Lobby of the Henry B. Gonzales Convention Center.
 - e. No ordained bishop will be allowed to vote unless his credentials are displayed and he is seated in the designated seating area. If credentials are lost, new ones can be secured from the Registration and Credentials Committee in the registration area in the Main Lobby of the Henry B. Gonzales Convention Center.
 - f. Each member of the International General Council should have received the *International General Council Manual* at registration. The manual contains pertinent materials for International General Council meetings and should be brought to *all business sessions*. *The agenda has been placed in your packets*. A link for the agenda is available electronically at www.GA22.org.
 - g. According to the current International General Assembly Bylaws, page 59 S2: Bylaws of the Church of God Article VI. Governing Bodies I. General Assembly Members: *“The International General Assembly is composed of all members and ministers of the Church of God 16 years of age and above. Members and ministers of the Church of God **present and registered** at the International General Assembly shall comprise its voting constituency.”*

3. Instructions concerning deportment during business meeting.

- a. Regular attendance at all International General Council sessions and the International General Assembly business session is strongly encouraged. The schedule is printed in the manual, on the backside of the ordained bishop’s badge as well as, www.GA22.org.

-
- b. There is to be no entering or exiting during voting. The Sergeants-at-Arms have been directed to control the entrances, so no one will be permitted to enter or exit during a vote.
 - c. The moderator will not entertain any questions from the floor when a vote is being taken. If there is a problem that needs to be addressed, please inform a member of the Sergeants-at-Arms Committee.

4. Use of the Motion Submission Form

The Motion Submission Form is provided in the back of your *International General Council Manual* and should be used to document in writing extended motions or amendments in either the International General Council or International General Assembly business sessions. Please have the form completed prior to making your motion and ready to deliver to the Motions Committee Kiosk located on the main floor. Motions of extensive length or complexity can be emailed to the Motions Secretary at gamotions@churchofgod.org. (Only motions pertaining to the agenda are to be submitted to this email. Non-Agenda Item Motions should be submitted in writing at the Motions Committee Kiosk.)

5. Limitation of Speeches

- a. A recording secretary will tabulate the number of speeches made by individuals.
- b. A member can speak no longer than ten minutes unless he obtains consent of the assembly (*Robert's Rules* pg. 39 4.29). Such permission can be given by unanimous consent, or by means of a motion to Extend the Limits of Debate, which requires a two-thirds vote without debate (*Robert's Rules*, pp.387, 388). Denise Watkins will serve as the official timekeeper and the Secretary General will state "Time" when

the time limit has expired.

- c. A member is not to speak the second time on the same question in the same day as long as someone else desires the floor. Because the moderator cannot always know just how many times one speaks, he will depend upon the recording secretary to keep him informed.

6. Agenda

- a. The printed *Agenda* that was made available at least thirty days prior to the opening of the International General Council is the “official agenda which is to claim the attention of the International General Council.” (*Minutes* page 67, S4. III International General Council Agenda). There is no need for a motion to adopt/receive the agenda, since it is by our rules of procedure already adopted. The agenda is also available electronically at GA22.org.

- b. The *Bylaws* require that “Any new business shall be presented to the chairman of the motions committee, which committee shall receive, classify, clarify, eliminate duplication, and dispatch for placement on the agenda *following the completion of the printed agenda.*” (Minutes Page 62, S2. Bylaws, Article VI, 2. International General Council, Agenda, Paragraph 4).

Note: Any new business for the 2022 International General Council shall be presented to the chairman of the motions committee no later than **2:00 p.m., Thursday, July 28, 2022.**

- c. Please note in your *Agenda* that material from the current *Minutes* is on the left side (even-numbered) pages and new motions are on the right side (odd-numbered) pages.

78th International General Council THE CHURCH ON MISSION AGENDA

Statement of Purpose

The years 2020-2022 will not be forgotten! The world experienced a global shift in every part of life all because of the declaration of a global pandemic. This identification led to restrictive measures including quarantines, as well as closure of schools, businesses, church gatherings and much more. After intensive review of Church of God polity and historical precedence, it was determined that the 78th International General Assembly, scheduled for 2020, would be postponed until the summer of 2022.

As the pandemic scene changes, daily life is being restored, travel is moving forward, and a level of normalcy is becoming a reality. Now, this summer of 2022, we come together again for the 78th International General Assembly with the focus upon ***The Church on Mission!*** As we look to the future, the General Assembly sets the pace with the vision of the Church of God as a relevant movement, which is alive, energetic, and sensitive to the signs of the times.

The International General Assembly is that organized body with full power and authority to designate the teachings, government, principles, and practices of all the local churches around the world. It is composed of all ministers and members of the Church of God, sixteen years of age and above, who are present and registered. During the Assembly, there are business sessions, elections, agenda items, exhibits, special activities, Priority Prayer, worship, and fellowship.

**THIS PAGE

The purpose of **The Church on Mission Agenda** is to maximize the mission of the Church of God to communicate the full gospel of Jesus Christ in the Spirit and power of Pentecost. It is why we exist. It is a clarion call to go and to do; it is being “on mission.” It is about the Church of God concentrating on foundational principles, Scriptural direction, commitment as one global church, and dedication to a common cause...**The FINISH Commitment**. If we are to witness the fulfillment of the Great Commission, there is only one way to get there, and that is full speed ahead, united as ***The Church on Mission!***

78th International General Assembly

THE CHURCH ON MISSION AGENDA

I. TENURE OF ELECTED OFFICIALS

RATIONALE:

Due to the inability to conduct the 2020 General Assembly because of the international COVID-19 pandemic, leaders holding appointed and elected positions were left in office to provide for the “continuance of governance.” **These individuals were not elected to new 4-year terms in 2020 but were duly appointed by the Council to serve a period of continued governance.** Only the International General Council can nominate, and the International General Assembly elect these positions. *Robert’s Rules of Order* states that persons elected to office, remain in office until their successor is elected. The *Minutes* allow for members of the Executive Committee to succeed themselves for one four-year term with a maximum of eight years on the Executive Committee. This tenure maximum has already been exceeded by the current 2nd Assistant General Overseer (10 years). Four members of the International Executive Committee, as well as the Director and Assistant Director of Youth and Discipleship, if reelected to a four-year term at the 2022 International General Assembly, would exceed the maximum tenure limits set by the *Minutes*.

Executive Committee

Herein lies the challenge: In regard to the members of the Executive Committee, the *Minutes* (see S7., S8., and S9.) state that they shall be elected for a four-year term, and they shall be eligible to serve no more than eight consecutive years in that particular office or on the Executive Committee. Therefore, the question becomes, do we abide by “elected for a four-year term” (a term issue) or “serve no more than eight consecutive years on the Executive Committee (a tenure issue)?”

**THIS PAGE
INTENTIONALLY
LEFT BLANK**

According to the Bylaws, this matter must be resolved by the International General Assembly, since the Assembly adopted these policies.

Some have proposed that the general overseer simply announce that if any of those affected by the postponement of the 2020 Assembly are reelected, they would only have two years of eligibility remaining. To do so would assume one knows the will of the body and would prohibit the General Council and General Assembly from deciding if they would like to extend the maximum tenure of these individuals, if reelected, for **this one time**.

The Church of God Bylaws provide guidance concerning the selection and tenure of members of the International Executive Committee (see S2., page 63 of 2018 General Assembly *Minutes*):

ARTICLE VII

Executive Board

International Executive Committee—The executive officers of the Church of God shall be the general overseer, three assistant general overseers, and the secretary general. These shall constitute the International Executive Committee. Their tenure in office, manner of selection, duties and authorities, and procedure for filling vacancies **shall be decided by the International General Assembly upon recommendation from the International General Council** (emphasis added).

The Bylaws take precedence over any other provisions in the *Minutes*. The above cited language allows the International Executive Council to recommend to the International General Council a motion regarding the tenure of the members of the International Executive Committee, with the final decision to be made by the International General Assembly.

**THIS PAGE
INTENTIONALLY
LEFT BLANK**

The International General Assembly has the sole authority to determine term/tenure issues of the International Executive Committee. No person or no body of authority has the right to set terms of the Executive Committee, except the International General Assembly upon recommendation from the International General Council.

Since the International General Council and International General Assembly were unable to express their preferences for these offices in 2020, they should be allowed to express themselves this Assembly regarding extension of tenure.

Executive Council

The Bylaws do not provide specific direction concerning the selection and tenure of members of the International Executive Council, other than to note that the International General Council shall elect the Council of Eighteen (see *Minutes*, S2., Article VI, page 62).

At the 2018 General Assembly, all eighteen (18) members of the Executive Council were elected. Of the eighteen, eleven (11) members were re-elected, having initially begun their tenure in 2016. Consequently, those eleven members would have been ineligible for re-election had the 2020 International General Council been conducted, and therefore are ineligible for re-election now.

In addition, seven (7) International Executive Council members were newly elected at the 2018 International General Assembly, and based upon the *Minutes* provision cited above, all seven would have been eligible to be re-elected by the 2020 International General Council.

The motion that follows allows the International General Council and the International General Assembly the opportunity to address the term/tenure issue of the seven International Executive Council members that were newly elected by the 2018 International General Council.

**THIS PAGE
INTENTIONALLY

International Director and Assistant Director of Youth and Discipleship

During the “continuance of governance” term, the International Director of Youth and Discipleship passed away. Following the procedure set out in the *Minutes* (**S13. PROCEDURE FOR FILLING VACANCY OF AN ELECTED MINISTRY LEADER, page 85**), the Assistant Director of Youth and Discipleship was elevated to the directorship and the “mail in” voting process, provided for in that same section of the *Minutes*, was used to fill the vacant assistant director position. Both positions were filled prior to the half-way point of the “extended” two-year term.

The terms for the International Director and Assistant Director of Youth and Discipleship are four years and a person elected to such positions cannot succeed himself (see *Minutes*, S10., page 78). However, the current holders of both offices took their positions, not in the midst of a regular four-year term but prior to one-half of the two-year extended term being fulfilled under the “continuance of governance” provision.

No guidance is provided in the *Minutes* concerning term or tenure when succession by the International Director or the Assistant Director of Youth and Discipleship occurs during the midst of a term. Historical practice within the Church has been that if a person succeeded another in a position, and more than half the term is left, the time in the position is counted against the successor. However, if less than half the term remains upon the successor assuming the position, the time in the position does not count against the successor. *Robert’s Rules of Order Newly Revised* (12th Edition, paragraph 56:31) provides for the same procedure.

**THIS PAGE
INTENTIONALLY
LEFT BLANK**

The motion that follows allows the International General Council and International General Assembly the opportunity to address the term/tenure issue of the International Director and Assistant Director of Youth and Discipleship who assumed their positions during the extended term caused by the pandemic.

Director and Assistant Director of World Missions

Since the tenure of the Director and Assistant Director of Church of God World Missions would have been completed in their respective positions had the 2020 General Assembly been held, their tenure is now complete. Therefore, there is no need for the body to address those positions.

PREAMBLE:

Due to the inability to conduct the 78th International General Assembly in 2020 because of the COVID-19 global pandemic, leaders holding elected positions were held in place under an International Executive Council passed “continuance of governance” resolution, since the *International General Assembly Minutes* provide no guidance for what to do when elections could not be held. Because of the disruption in the normal election cycle caused by the postponement of the 78th International General Assembly, the following options are presented for consideration and implementation, **applicable for the 2022 International General Assembly only:**

1. Tenure of the Newly Elected Members (2016) of the International Executive Committee

Options:

- A. Two-Year Option** – If you believe the newly elected members (2016) should only have two more years of tenure eligibility, you should select the number 2 on your keypad.
- B. Four-Year Option** – If you believe the newly elected members (2016) should have four years of tenure eligibility, you should select the number 4 on your keypad.

2. Tenure of the Newly Elected Members (2018) of the International Executive Council

Options:

- A. Tenure Completed Option** – If you believe the newly elected members (2018) should not have any tenure eligibility remaining, you should select the number 1 on your keypad.
- B. Two Additional Years Option** – If you believe the newly elected members (2018) should have two more years of tenure eligibility, you should select the number 2 on your keypad.

**THIS PAGE

3. Tenure of the International Director and Assistant Director of Youth and Discipleship

Options:

- A. **Two-Year Option** - If you believe the Director and Assistant Director should only have two more years of tenure eligibility, you should select the number 2 on your keypad.
- B. **Four-Year Option** - If you believe the Director and Assistant Director should have four years of tenure eligibility, you should select the number 4 on your keypad.

S2. BYLAWS OF THE CHURCH OF GOD

ARTICLE VI Governing Bodies

2. INTERNATIONAL GENERAL COUNCIL Members

The International General Council is composed of all ordained bishops of the Church of God, who shall comprise its voting constituency.

III. Women in Leadership

RATIONALE:

During recent years, there have been calls for ordained women ministers to participate in and have the right to vote in the International General Council sessions at the General Assembly. This issue was subject to discussion in the open Global Forums conducted following the 2018 General Assembly and this provision is offered in compliance with the General Assembly's direction that motions be formulated and brought back to the International General Council on the topics discussed.

To allow for such, a change in the Bylaws is necessary. The recommendation that follows modifies the Bylaws, providing an equitable method for ordained women ministers to be members of the International General Council with voice and vote authority. Under the proposed measure, only those ordained women ministers who fulfill the same age and years of experience qualifications stated for Ordained Bishops (including completing equivalency testing for General Council certification) would be eligible for participation in the International General Council. It is understood that the provisions applying to a Bishop's wife (see **S22. ORDAINED BISHOP, II., Qualifications of Ordained Bishops, 7., page 103**) would in like manner similarly apply to the husband of a General Council-certified female ordained minister.

It is further noted that this measure only allows for full participation of ordained women ministers in the deliberations and voting in the International General Council and does not allow ordained women ministers the opportunity to be an Ordained Bishop or the additional privileges associated with being an Ordained Bishop.

S2. BYLAWS OF THE CHURCH OF GOD

ARTICLE VI Governing Bodies

2. INTERNATIONAL GENERAL COUNCIL Members

The International General Council is composed of all ordained bishops of the Church of God, who shall comprise its voting constituency.

We recommend:

That we amend page 61, S2. BYLAWS OF THE CHURCH OF GOD, ARTICLE VI, 2. INTERNATIONAL GENERAL COUNCIL, Members, by inserting after bishops of the Church of God *and General Council-certified female ordained ministers who have fulfilled the same age requirements, experience and equivalent testing of the ordained bishop credentials as contained in S22. ORDAINED BISHOP, II., Qualifications of Ordained Bishops,* who shall comprise its voting constituency.

So as to read:

The International General Council is composed of all ordained bishops of the Church of God *and General Council-certified female ordained ministers who have fulfilled the same age requirements, experience and equivalent testing of the ordained bishop credentials as contained in S22. ORDAINED BISHOP, II., Qualifications of Ordained Bishops,* who shall comprise its voting constituency.

IV. Meaning and Usage of the Title Ordained “Bishop”

RATIONALE:

Following extensive discussion, reports, referrals for further study and review, completion of 23 Global Open Forums, and a written professional survey of some 6,300 Church of God ministers and members, there seems to be a desire to have a straight-forward, up-or-down vote on whether the Church of God should continue using the title Ordained “Bishop” in our ranks of ministry. Should the motion to retain the title Ordained “Bishop” pass (*Option A*), it is understood that there is a desire to maintain the title Ordained “Bishop” as a rank of ministry, and no additional action will be needed or required. However, should the motion to change the title Ordained “Bishop” pass (*Option B*), it is understood that there is a desire to change the title Ordained “Bishop” to some other title. Therefore, additional review and action will be needed by the International Executive Council and further consideration at the next General Assembly, potentially requiring a change to the Bylaws necessitating a two-thirds vote and previous notice.

Options:

- A. Retain the Title Ordained “Bishop”** - If you believe that the title Ordained “Bishop” as a third tier of licensure should be retained, you should select the number 1 on your keypad.
- B. Change the Title Ordained “Bishop”** - If you believe that the title Ordained “Bishop” as a third tier of licensure should be changed, you should select the number 2 on your keypad. (*Should Option B prevail, this matter will be referred to the International Executive Council to bring back an appropriate motion(s) and/or Bylaw changes, along with a recommended new title, to the 2024 International General Council.*)

VI. Resolution Concerning Human Identity and Sexuality

WHEREAS, we are faced with societal, cultural, and sociopolitical theories that view “gender identity” as a social construct that proposes there is no Biblical truth to gender and that gender is contextualized as a matter of choice; and

WHEREAS, the Church of God recognizes that today’s culture is increasingly embracing a non-biblical view of human sexuality and gender identity by normalizing the LGBTQ agenda, including sexuality, and that biblical sexual norms are being replaced with a postmodern non-biblical view of sexual orientation, gender fluidity, and self-gendering; and

WHEREAS, being created in God’s image gives personal identity, dignity and equality to male and female; and

WHEREAS, self-identifying with any sexual orientation or gender identity contrary to the biblical view of gender and sexuality, including such terms as “gay Christian,” “homosexual Christian,” or any other non-biblical sexual orientation or gender identity is an affront to the Gospel; and

WHEREAS, nowhere in Scripture is it suggested that individuals may self-identify as the gender they wish to be rather than the biological or “natural considerations,” and that the Church believes that Scripture is God’s final, authoritative, and Spirit-inspired Word to the Church, and that the Bible explains God’s design of creation and what constitutes human sexuality, as well as the purpose, order, wholesomeness, and beauty of human sexuality (e.g., Gen. 1:26-27; Gen. 2:18-24; Matt. 19:4-5);

THEREFORE BE IT RESOLVED, that we the people of the Church of God affirm our belief in God’s perfect design for human sexuality as the pinnacle of His creation (Genesis 1:27); and

**THIS PAGE

***BE IT FURTHER RESOLVED, that because God offers 37
restoration and redemption through Jesus Christ to 38
all who confess and forsake their sin, we believe that 39
all people should be treated compassionately and 40
that care should be taken to offer prayer and 41
competent counsel for those who face sexual 42
confusion; and 43***

***THEREFORE BE IT FINALLY RESOLVED, that in order to 44
preserve the doctrinal integrity of the Church of God 45
as part of the Body of Christ, and to provide a biblical 46
role model to our movement, it is imperative that all 47
persons employed by the church in any capacity, or 48
who serve as volunteers, agree to and abide by the 49
Declaration of Faith and doctrinal statements of the 50
church. (Genesis 1:27, 2:20-24, 3:17; Proverbs 18:22; 51

VII. Biblical Fidelity in Gender Identity Affirmation

RATIONALE:

While the Church of God is clear on Biblical marriage and sexuality, the General Assembly has not addressed by name the culturally unfolding topic of gender identity.

For the sake of our general church, our local churches and our church institutions, we should posture our conservative, biblically faithful denomination to articulate clarity from our highest governing body, the Church of God International General Assembly, so that our churches and institutions are appropriately aligned, particularly so that our credentialed and non-credentialed employees of the church are aligned with the doctrine and teaching of the church.

We recommend:

That page 111, S29. INSTRUCTIONS FOR MINISTERS, II. MARRIAGE AND SAME-SEX RELATIONSHIPS be amended by inserting:

*7. No Church of God minister shall permit any employee 1
of any church or institution of the church, under their 2
direct authority, to knowingly participate in using or 3
verbally affirming the use of a self-selected gender 4
identity that is incongruent with the individual's 5
biological sex. Ministers are prohibited and must prohibit 6
their employees from encouraging or affirming people 7
and especially people within their care to identify with 8
their sexual temptation, their unbiblical sexual 9
attraction, or a self-selected gender or gender pronoun, 10
which is incongruent with their biological sex. 11*

*Engagement in this behavior is grounds for disciplinary 12
action. Failure of a credentialed minister to prohibit their 13
credentialed or non-credentialed employees of 14
denominationally affiliated institutions or churches, 15
under their authority, from engaging in this behavior is 16
grounds for disciplinary action. 17*

S24. EXHORTER [20th A., 1925, p. 37;45th A., 1954, p. 29;65th A., 1994, Item 14, p. 91 [75th A., 2014; 77th A., 2018]

The church shall have an order of the ministry known as exhorter, whose license is signed by the district overseer where his membership is and endorsed by the state overseer.

VIII. Entry Level Ministry Title

RATIONALE:

In a society increasingly requiring proper credentials for ministry purposes, the term “exhorter” is not as readily understood by secular audiences not familiar with ministry titles. Webster’s Dictionary defines “exhort” as a verb, meaning, “to incite by argument or advice: urge strongly.” The term “minister” is more globally accepted, and therefore “licensed minister” would be more appropriate as the first level of credentials.

We recommend:

That we amend page 105, S24. EXHORTER, by striking the word “*EXHORTER*” and inserting “*LICENSED MINISTER.*” (If adopted, the word “*exhorter*” would be replaced throughout the *Book of Minutes* with the term “*licensed minister.*”)

ARTICLE VI Governing Bodies

2. INTERNATIONAL GENERAL COUNCIL Agenda

4. Any new business shall be presented to the chairman of the motions committee, which committee shall receive, classify, clarify, eliminate duplication, and dispatch for placement on the agenda following the completion of the printed agenda. Any new business presented to the motions committee shall be presented in typewritten form not later 2 p.m. of the third day of the International General Council. (75th A., 2014)

X. Motions Committee – Form of Submission

RATIONALE:

While this is a Bylaws item, it is a simple procedural modification from “typewritten form” to current communication methods providing efficiency in presenting motions with clarity to the General Council.

We recommend:

That we amend page 62, S2. BYLAWS OF THE CHURCH OF GOD, Article VI, Governing Bodies, 2. INTERNATIONAL GENERAL COUNCIL, Agenda, paragraph 4, by striking “*typewritten form*” and inserting “*a legible format (print or digital)*.”

So as to read:

4. Any new business shall be presented to the chairman of the motions committee, which committee shall receive, classify, clarify, eliminate duplication, and dispatch for placement on the agenda following the completion of the printed agenda. Any new business presented to the motions committee shall be presented in *a legible format (print or digital)* not later than 2 p.m. of the third day of the International General Council.

Any new business presented to the motions committee shall be presented in typewritten form not later 2 p.m. of the third day of the International General Council. (75th A., 2014)

XI. Motions Committee – Date of Submission

RATIONALE:

Historically, the International General Council met Monday through Friday with the General Assembly session occurring on Saturday. Under that schedule, new business from the floor had to be submitted to the motions committee by 2:00 p.m. on the third day (Wednesday) of the International General Council.

Under the current format, the International General Council meets Tuesday through Friday morning with the General Assembly session being held on Friday afternoon. Since new business can currently be submitted to the motions committee up until 2:00 p.m. on the third day (Thursday) of the International General Council, sufficient time is not currently given to “receive, classify, clarify, eliminate duplication, and dispatch for placement on the agenda following the completion of the printed agenda” items that may be submitted to the motions committee, and for consideration of those items by the International General Council.

We recommend:

That we amend page 62, S2. BYLAWS OF THE CHURCH OF GOD, Article VI, Governing Bodies, 2. INTERNATIONAL GENERAL COUNCIL, Agenda, paragraph 4, by striking the word *third* and inserting the word *second*.

So as to read:

4. Any new business shall be presented to the chairman of the motions committee, which committee shall receive, classify, clarify, eliminate duplication, and dispatch for placement on the agenda following the completion of the printed agenda. Any new business presented to the motions committee shall be presented in typewritten form not later than 2:00 p.m. of the *second* day of the International General Council.

ARTICLE VI Governing Bodies

2. INTERNATIONAL GENERAL COUNCIL Members

The International General Council is composed of all ordained bishops of the Church of God, who shall comprise its voting constituency.

XII. International General Council - Meeting

RATIONALE:

Currently, it is assumed that the International General Assembly and International General Council meet simultaneously. However, the *Minutes* do not articulate that the International General Assembly and the International General Council meet in conjunction. In light of potential extenuating and unusual circumstances, it is important to state polity that the two meet in conjunction.

We recommend:

That we amend page 61, S2. BYLAWS OF THE CHURCH OF GOD, Article VI, Governing Bodies, 2. INTERNATIONAL GENERAL COUNCIL by inserting a paragraph regarding “*Meeting*” following the *Members* paragraph:

So as to read:

Meeting

The International General Council shall meet biennially, convening in conjunction with the International General Assembly.

I. Selection

3. In accordance with the memorandum of agreement, the moderator of the Full Gospel Church of God in South Africa shall be a member of the International Executive Council of the Church of God in America, and the general overseer of the Church of God shall be a member of the Executive Council of the Full Gospel Church of God in South Africa. (46A., 1956, p.28 (47))

XIII. International Executive Council – Indonesia (Participation)

RATIONALE:

In S5. INTERNATIONAL EXECUTIVE COUNCIL, I. SELECTION, 3., page 68, the *Minutes* allude to only the “memorandum of agreement” with the Full Gospel Church of God in South Africa. This item does not include the “memorandum of agreement” with the Gereja Bethel Indonesia Church of God. This motion simply articulates recognition of the relationship between the Church of God in America and Gereja Bethel Indonesia.

We recommend:

- A. That we amend pages 68-69, S5. INTERNATIONAL EXECUTIVE COUNCIL, I. SELECTION, 3., by inserting “*and the general overseer of the Gereja Bethel Indonesia Church of God*”**

So as to read:

3. In accordance with the memorandum of agreement, the moderator of the Full Gospel Church of God in South Africa ***and the general overseer of the Gereja Bethel Indonesia Church of God*** shall be members of the International Executive Council of the Church of God in America, and the general overseer of the Church of God shall be a member of the Executive Council of the Full Gospel Church of God in South Africa.

3. In accordance with the memorandum of agreement, the moderator of the Full Gospel Church of God in South Africa shall be a member of the International Executive Council of the Church of God in America, and the general overseer of the Church of God shall be a member of the Executive Council of the Full Gospel Church of God in South Africa. (46A., 1956, p.28 (47))

B. That we amend pages 68-69, S5. INTERNATIONAL EXECUTIVE COUNCIL, I. SELECTION, 3., by inserting “*and the Executive Council of the Gereja Bethel Indonesia Church of God.*”

So as to read:

*3. If both Recommendation “A” and Recommendation “B” pass, the revised measure would read:

*3. XIV. International Executive Council Expansion

Background

The Bylaws of the Church of God (S2., page 63) state that the International Executive Council is composed of the “general overseer, his assistants, the secretary general, and eighteen councilors [the Council of Eighteen] elected by the International General Council.” The *Minutes*, at S5., International Executive Council (pages 68-72), provide details about the selection, the procedure for filling vacancies, as well as the duties and authorities of the Council of Eighteen.

To expand the Council of Eighteen requires a change in the Bylaws, and therefore, a two-thirds vote. However, determining designated slots for those who serve on the International Executive Council is accomplished by amending S5., *International Executive Council*, and only requires a majority vote in the International General Council and General Assembly.

As the Church of God has grown into a global church, the International Executive Council has been expanded in an effort to provide adequate representation to a larger church body. Previously, the International Executive Council included twelve (12) councilors, but was expanded to eighteen (18) in 1986. Now, with over 7.5 million members worldwide and churches in 185 countries, the question arises concerning expanding the International Executive Council to provide even greater representation.

While the potential expansion of the International Executive Council has been under consideration for several years, additional observations and complexities have been identified. The announcement that follows allows for all those issues to be developed and fully considered.

**THIS PAGE

NOTE: At the 2018 General Assembly, the number of designated positions for pastors on the International Executive Council was increased from nine (9) members to no less than twelve (12) members, and the number of foreign nationals was increased from two (2) members to at least three (3) members. Since these changes were implemented after the International Executive Council was most recently elected, the impact of these actions are not yet known. Further, it should be noted that by memorandums of agreement, the Full Gospel Church of God in South Africa and the Gereja Bethel Indonesia Church of God have representatives on the International Executive Council.

Announcement

A special commission will be appointed by the General Overseer to study the feasibility and operational challenges/opportunities of expanding the International Executive Council, as well as the designation of certain groups to be represented, with special emphasis on the following areas that have already been addressed by the International Executive Council but need further study:

- Ratio of church membership to councilors
- Assurance that the five core ministry gifts - apostles, prophets, evangelists, shepherds (pastors), and teachers - are represented
- Racial and ethnic diversity
- Clear definition of “foreign national”
- Feasibility of virtual, as well as in-person, meetings
- Potential for cost-sharing of councilors’ expenses,

and that a report on such be brought back and presented, with appropriate motion(s), if necessary, to the 2024 International General Council.

S3. INTERNATIONAL GENERAL ASSEMBLY

II. Procedures

2. Arrangements for the time and place of the International General Assembly shall be left to the International Executive Council (35th A., 1940, p.31)

XV. General Assembly Procedures and Extenuating Unusual Circumstances

RATIONALE:

Throughout the height of the COVID-19 pandemic and the potential postponement of the International General Assembly, intense review of Church of God polity was studied including the *Minutes* and possible historical antecedent precedence. Two main questions were as follows: 1) authority to postpone the International General Assembly; and 2) tenure, elections, and continuance of governance. This motion articulates specific and comprehensive potential extenuating unusual circumstances and provides authority under these circumstances for the Executive Council to postpone or reschedule a regularly scheduled International General Assembly.

We recommend:

That we amend page 65, S3. INTERNATIONAL GENERAL ASSEMBLY, II. Procedures, 2., by substituting the following for Item 2.

So as to read:

2. Arrangements for the time and location of the International General Assembly shall be entrusted to the International Executive Council. Should there be extenuating unusual circumstances including but not limited to the following: a global pandemic or regional or national epidemic; regional, national or global war; natural disaster; or any other event that would demonstrate compelling impact upon the convening of the biennial General Assembly, the International Executive Council shall be empowered to postpone or reschedule the regularly scheduled General Assembly to an appropriate time and place.

B. Filling Vacancy of Assistant Ministry Leader

In the event the office of an elected assistant ministry head be vacated because of death, disability, advancement, or the incumbent in any wise being disqualified, the general overseer will submit by mail the names of the next two persons receiving the highest vote for the position, who were not elected to any general office, to the ordained bishops, to select the one who shall fill the vacancy in the ministry.

Ballots must be returned to the general overseer within 45 days to be valid votes. The one receiving the majority vote shall be declared to fill the unexpired term of the assistant to the ministry in question. (67th A., 1998, p. 52; 73rd A., 2010)

XVI. Procedure for Filling Vacancy of An Elected Ministry Leader Under Extenuating Unusual Circumstances

RATIONALE:

This motion addresses the impact of potential extenuating unusual circumstances that may alter tenure, election, and succession of elected leadership of the Church of God. Under all circumstances, it is significantly important to preserve the continuity of the governance of the church. This is accomplished by maintaining a policy regarding succession in office of general elected positions with full legal and ecclesiastical authority.

XIX. Report/Announcement - Virtual Church

During a pandemic where health concerns forced “virtual” church services to become an option to regular in-person worship, many churches experienced great results and furthered their evangelistic outreach through different methods of virtually reaching their church members and other interested persons. Because of such great success with further opening the church house doors through electronic mediums, it is important that we continue to pursue every option to reach a global harvest as we seek to fulfill and FINISH the Great Commission.

With ever-increasing technology expanding social and public mediums of communications, a task force will be appointed to review the possibilities and challenges in potentially organizing and establishing virtual churches. Structural and organizational challenges will be identified and reviewed, with recommendations concerning governance and operations submitted to the International Executive Committee and International Executive Council for consideration. If necessary, appropriate motion(s) will be made available to the 2024 International General Assembly.

XX. Usage of the Titles of God

RATIONALE:

The opening two articles of the *Declaration of Faith* are:

We believe:

1. In the verbal inspiration of the Bible.
2. In one God eternally existing in three persons; namely, the Father, Son, and Holy Ghost.

It is important for the Church of God to be steadfast in our affirmation of Spirit-inspired Biblical language. There is no doubt that God is beyond the scope of our language to describe Him, but this does not license us to move beyond the scope of the language He has provided in Scripture with speculative edits, second guessing of Scripture, and rewrites of the identity of God (II Timothy 3:16).

The *Declaration of Faith* opens with a strong and unambiguous assertion in the belief that the text of the Bible is verbally inspired and given that both the Bible and the *Declaration of Faith* exclusively address God with the names God has chosen for Himself as unveiled in the Scriptures. Scriptures name God in terms of three distinctive persons, i.e., Father, Son and Holy Spirit. For example, the Scriptures command us to “go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit” (Matthew 28:19). Therefore, these personal names should be rightly used when we are addressing or describing God. Because the Scriptures use these specific personal names to refer to God, any alteration of these names is a violation of Scripture (Matthew 3:16, Matthew 6:9, Luke 11:2, Isaiah 11:2, Isaiah 42:1, Isaiah 59:21, Isaiah 61:1, Luke 3:22, John 1:31-34, John 3:34, Colossians 1:18-19).

**THIS PAGE
INTENTIONALLY
LEFT BLANK**

Because of these truths and because the Church of God is faithful to the Scriptures and our own *Declaration of Faith*, it is absolutely critical at this cultural moment to be clear in our stand against cultural pressure and trends and to stand with Biblical truth.

We recommend:

That pages 109-110, S29. INSTRUCTIONS FOR MINISTERS, I. GENERAL INSTRUCTIONS FOR MINISTERS be amended by inserting the following:

*12. No Church of God minister or employee of any church 1
or institution associated with the Church of God shall 2
violate Articles 1 & 2 of the Declaration of Faith by 3
naming God using feminine pronouns or feminine titles. 4
The usage of feminine titles or feminine pronouns for 5
God in reference to the Father, Son, or Holy Spirit is a 6
violation of the Declaration of Faith and shall result in 7
ministerial disciplinary action. 8*

XXI. Report - Ministerial Activation

(See General Assembly Report Manual)

PRACTICAL COMMITMENTS, EXPLANATORY NOTES

II. Ordinances of the Church

B. Lord's Supper (Communion) and Feet Washing

The subject of Communion and Feet Washing was considered, and the Assembly decided that both are taught in the New Testament and may be engaged in at the same service or at different times at the option of the local churches. In order to preserve the unity of the body, and to obey the sacred Word, it was recommended that every member engage in these sacred services, which should be observed one or more times each year. (1st A., 1906, Bk. M., p. 15; DF 12)

XXII. Ordinances of the Church

RATIONALE:

The Church of God has always provided “open” sacraments for believers according to our theology, doctrine, and polity. However, the application for sacrament in this context calls for “member” which excludes born-again believers (teens and children) under the age of 16 and/or believers who may attend regularly but are not currently members of the Church of God. While it is not the intent to exclude anyone from sacraments, the heartbeat of this motion should encourage engagement, experience, and broaden one’s theology of his or her walk with God.

We recommend:

That page 32, PRACTICAL COMMITMENTS, EXPLANATORY NOTES, II. ORDINANCES OF THE CHURCH, B. Lord’s Supper (Communion) and Feet Washing be amended by striking the word “*member*” and inserting the words “*Christian believer*.”

So as to read:

B. Duties and Authorities

7. To allow each country/territory flexibility in matters of polity to reflect cultural differences or government requirements, as long as the changes do not conflict with the doctrinal statements or Practical Commitments of the International General Assembly.

XXIII. Duties of the World Missions Board

RATIONALE:

Currently the *International General Assembly Minutes* authorize the International Executive Council to reword information in the *Minutes* to clarify its meaning and protect its social and cultural appropriateness in countries outside the United States. The Council is also authorized to commission the preparation of an international version of the *Minutes* that takes into consideration the differences in laws and customs between the United States and other countries. All countries outside of the United States and Canada, fall under the supervision of the World Missions Department and the established administrative structure. The cultural differences mentioned earlier do not allow countries to change their administrative structure under the guise of “cultural differences” which conflicts with established administrative structure as is identified in the *Minutes*. This motion seeks to clarify the current language in the *Minutes*.

We recommend:

A. That we amend page 81, S12. MINISTRY OF WORLD MISSIONS, I. WORLD MISSIONS BOARD, B. Duties and Authorities, paragraph 7 by inserting *and with Church of God International administrative structure* of the International General Assembly.

So as to read:

7. To allow each country/territory flexibility in matters of polity to reflect cultural differences or government requirements, as long as the changes do not conflict with the doctrinal statements or Practical Commitments *and with Church of God International administrative structure* of the International General Assembly.

7. To allow each country/territory flexibility in matters of polity to reflect cultural differences or government requirements, as long as the changes do not conflict with the doctrinal statements or Practical Commitments of the International General Assembly.

We recommend:

B. That we amend page 81, S12. MINISTRY OF WORLD MISSIONS, I. WORLD MISSIONS BOARD, B. Duties and Authorities, by inserting the following at the end of item 7. *“No change shall be implemented by a national assembly or convention, or by administrative decree, until such has been presented to the Area Field Director and Director of World Missions, and then approved by the World Missions Board.”*

So as to read:

7. To allow each country/territory flexibility in matters of polity to reflect cultural differences or government requirements, as long as the changes do not conflict with the doctrinal statements or Practical Commitments of the International General Assembly. *No change shall be implemented by a national assembly or convention, or by administrative decree, until such has been presented to the Area Field Director and Director of World Missions, and then approved by the World Missions Board.*

If both Recommendation “A” and Recommendation “B” pass, the revised measure would read:

7. To allow each country/territory flexibility in matters of polity to reflect cultural differences or government requirements, as long as the changes do not conflict with the doctrinal statements or Practical Commitments ***and with Church of God International administrative structure*** of the International General Assembly. *No change shall be implemented by a national assembly or convention, or by administrative decree, until such has been presented to the Area Field Director and Director of World Missions, and then approved by the World Missions Board.*

S49. MEMBERSHIP

V. Procedure In Dealing With Member

If a member who is not a minister shall be charged with any offense which makes it necessary to deal with a member, formal charges in writing shall be given to the member not less than three days (when practical) prior to the time and place of the meeting. The member shall have a right to be heard and offer corroborating testimony at the meeting. Further, the charges shall be heard, and a decision rendered by the local church and pastor's council or (if a church does not have a pastor's council or board of elders) by the members who are present at the meeting and in good standing with the church. Disciplinary actions include but are not limited to official reprimand, restitution, censure, restrictions, and, where necessary, excommunication.

In those cases in which he deems it in the best interest of the local church to do so, the state/regional overseer shall have the authority to excommunicate an unruly or uncooperative member without a formal hearing. A member disfellowshipped by the state/regional overseer shall have the right to appeal to the International Executive Committee within 10 days of the written notice of the overseer's action. The decision of the International Executive Committee is final, with no further recourse for appeal by the member. The local church must remove the name from the membership roll when notified of the action by the state overseer. (71st A., 2006, p. 48)

XXV. Sexual Abuse/Sexual Exploitation of a Minor in Church Membership Consideration

RATIONALE:

While the *International General Assembly Minutes* address instances of conviction of sexual abuse of a child by a credentialed minister, there is no corresponding provision regarding the sexual abuse of a child by a non-credentialed member of the church. This measure addresses those instances involving confessing to or being convicted of sexual abuse or sexual exploitation of a minor by a non-minister in the local church setting.

We recommend:

That page 146, S49. MEMBERSHIP, V. PROCEDURE IN DEALING WITH MEMBER be amended by inserting the following as the second paragraph:

*Any member confessing to or having been convicted of 1
child sexual abuse or sexual exploitation of a minor shall 2
be disfellowshipped from the Church of God. However, the 3
opportunity for reconciliation and restoration to church 4
membership shall be given future consideration in 5
appropriate cases. 6*

RATIONALE:

The amounts in the specified schedule were established in the year 2002. S34. STATE BOARD OF TRUSTEES

7. Any person appointed to the State Board of Trustees shall be a member in good standing of the Church of God. If at any time, any member of any Board of Trustees shall cease to be a member in good standing, or if by reason of death, removal, incapacity or unwillingness to perform all duties of his office, his place on the Board of Trustees may be declared vacant: on the General Board by the general overseer; on the State Board by the state overseer; on a Local Board by a local church conference; and the same authority that declares said office vacant shall appoint a person to serve until the time for regular appointments, and the one so appointed shall have all authority held by the one removed.

XXVII. State Board of Trustees – Editorial Change

RATIONALE:

Under the current operation of Church of God states/regions/territories, women now are eligible to serve as members of Boards of Trustees. This measure adopts this inclusion as part of our stated polity.

We recommend:

That we amend page 133, S34. STATE BOARD OF TRUSTEES, 7., by striking “~~his office, his place~~” and inserting “*his/her office, his/her place.*”

So as to read:

7. Any person appointed to the State Board of Trustees shall be a member in good standing of the Church of God. XXVIII. State Overseer Duties

RATIONALE:

The State Overseer (Administrative Bishop) is by virtue of his office the visionary point apostolic leader of the state/territory and as such must lead the state/territory in the fulfillment of the Great Commission. Church planting is essential to the advancement of Great Commission completion and has been noted by multiple scholars as the most effective method for reaching people with the gospel of Jesus Christ. Additionally, growing an organization, denomination, or movement necessitates more than 3% growth annually in order to maintain its membership, accounting for attrition. Developing, implementing, and cultivating church planting strategy with identifiable goals to grow by 4% or more annually will foster the state or territory to grow.

We recommend:

That we amend page 128, S32. STATE OVERSEERS, VII. DUTIES AND AUTHORITIES by inserting the following as paragraphs 1 and 2:

- 1. Develop and implement a church planting strategy for the state/territory/region.*** 1
2
- 2. Strive to cultivate the planting/revitalization of churches in the state/territory/region by developing a strategy with identifiable goals to plant, organize, and revitalize churches, to be reviewed by the International Executive Committee at the annual leadership conference.*** 3

Introduction

Parliamentary law is not intended to repress the work of an assembly. It is meant to provide orderly principles by which business may be expedited. Where there are no principles of law and where every individual is allowed to act in his own way, confusion prevails.

Perhaps the most important principle of parliamentary law is that of rights: the right of the majority to ultimately rule, the right of the minority to be heard, and the right of the individual to participate in the decision-making process.

It is hoped that the information included on the following pages will be helpful in expediting the business of the International General Council and the International General Assembly. The material has been adapted from several sources and is in agreement with *Roberts Rules of Order Newly Revised 12th Edition*, published by PublicAffairs, a member of the Perseus Books, LLC, a subsidiary of Hachette Book Group, Inc.

The information included in this section is certainly not exhaustive. Delegates are encouraged to study *Roberts Rules of Order Newly Revised 12th Edition*. A more thorough knowledge of the rules by which our business is conducted will surely make for smoother and more productive business meetings.

Definitions

<i>Chair</i>	The presiding officer or the position from which that person presides. The general overseer serves as the presiding officer and should be addressed as MR. CHAIRMAN or MR. MODERATOR.
<i>Parliamentarian</i>	The person designated to advise the chair on points of parliamentary law and also to give similar advice to the assembly when requested. The parliamentarian gives an opinion; the chair makes a ruling.
<i>Floor</i>	The position of persons other than the chairman and his associates. When a member “has the floor,” he has the opportunity to exercise his speaking rights and should be given appropriate attention.
<i>Meeting</i>	A single official gathering of the body to conduct business.
<i>Session</i>	A series of connected meetings devoted to a single agenda.
<i>Member</i>	A person with the right to full participation.
<i>Motion</i>	A formal proposal by a member in a meeting that the assembly take certain action. <i>Question</i> is synonym for motion.
<i>Pending</i>	Being processed by chair.

Procedure

Priority or rank, applied to motions.

Table

To “lay on the table” means entrusting the case to the secretary. To lay on the table permits the assembly to set an issue aside in order to consider a more urgent issue.

Obtaining the Floor

Before a member attempts to make a motion or to address a meeting, he should be recognized by the chair. With our present system of speaker recognition, a member is required to go to a numbered light and touch the desired option on the screen. The members are recognized by the chair in the order in which they activate the light. A member does not have the floor until recognized by the chair. Thus, if the subject on the floor changes, a new order will be established to recognize those members wishing to speak to the current subject.

A member wishing to get the chair’s attention for the following reasons need not go to a speaker’s light but may obtain recognition by audibly calling for the attention of the chair with

- Question of privilege
- Point of order
- Parliamentary inquiry
- Appeal from the decision of the chair
- Division of the house

Each member has the right to speak on every question. However, he cannot make a second speech on the same question as long as any member who has not spoken on the question desires the floor. It is the prerogative of the moderator to recognize each speaker and to determine a balance of negative and affirmative speeches. (*General Assembly Minutes*, 2018, p.61, *Parliamentary Procedure*).

Assigning the Floor

A member does not obtain the floor by rising and addressing the chair, nor by proceeding to a speaker's microphone and turning on a light. The floor must be assigned to him by the chair before he is privileged to speak.

Interrupting a Speaker

A member who has been assigned the floor should not be interrupted after he has begun to speak, unless the immediate need is of such urgency to justify the interruption.

A member who has been assigned the floor should be interrupted only by one who wishes

- To make a motion to reconsider (And this only if the time limit on the motion is about to run out. The motion must be made and accepted within 24 hours. It may not be considered after 24 hours.)
- To rise to a point of order
- To voice an objection to the consideration of a question (This must occur before there has been any debate or before any subsidiary motion has been stated by the chair.)
- To call for the orders of the day in case they are not being followed
- To raise a question of privilege
- To request a division of the question when the question consists of more than one independent resolution
- To make a parliamentary inquiry
- To request information that requires an immediate answer.

Making a Motion

In making a motion (this includes any substitute motion), a member

first obtains the floor and prefaces the statement of the proposed action by the words “I move that . . .” The motion should be written on the *Motion Submission Form* included in your manual and given to the Motions Committee which is located on the main floor. The Motions Committee will have additional copies of the *Motion Submission Form*, if they are needed.

Seconding a Motion

In general, every motion must be seconded before it is discussed or voted upon. A member wishing to second a motion simply says, “I second the motion.” Recognition by the chair is not necessary in order to second a motion, and a second may be made without the member rising. Motions that come from a committee are considered already offered and seconded.

Debate or Discussion of the Question

In all debate and discussion, the following principles should prevail:

1. Speakers should avoid all references to specific personalities.
2. The motives of those whose views are opposed should not be questioned.
3. Discussion should be aimed at clarifying the facts rather than at challenging the views of those on the opposite side of the question.

Voting on the Question

In calling for the vote, the affirmative vote is called for first. If the chair is in doubt after calling for a *vote by voice*, he will ask for a show of hands or a standing vote. If a member questions the vote, he has a right to call for “a division of the house.” Division of the

house does not demand a counting of the votes. If a member wishes to have the votes counted, he must make a motion (which must be seconded) to that effect.

Kinds of Motions

Main Motions

Main motions are those which bring some main question before the group. A main motion yields to all subsidiary, privileged, and incidental motions.

Subsidiary Motions

A subsidiary motion is applied to a pending motion as a means of disposing of the pending one. All subsidiary motions take precedence over the main motion. By means of subsidiary motions, the main motion may be amended, or referred to a committee, or action postponed or hastened.

The subsidiary motions in order of precedence are:

1. To lay on the table
2. To call for the previous question
3. To limit or extend the time of debate
4. To postpone to a certain time
5. To commit or refer
6. To amend (can be applied to 3, 4, and 5)
7. To postpone indefinitely (cannot be amended).

To Lay on the Table

The effect of this motion is to postpone action on the question to which it applies. This motion should be used primarily to enable

the group to consider more urgent business, and should not be used as a means of suppressing a question without debate. Parliamentary law allows that only a two-thirds vote can rightfully suppress a main motion without allowing free debate.

To Call for the Previous Question

The object of this motion is to bring to an end the debate on the question or questions included in the call, and to secure a vote on the question(s). The previous question requires a two-thirds vote. If the motion does not specify otherwise, it applies only to the immediately pending question. The call for previous question should come from a member who has turned on a light and been recognized by the chair.

To Limit or Extend Time of Debate

Since certain rights are being taken away from the members, adoption of these motions requires a two-thirds vote. Motions to limit or extend time of debate are not debatable but may be amended (see note above).

To Postpone to a Certain Time

The motion is similar to “Lay on the Table.” It differs in that it postpones action to an established time and is debatable.

To Commit or Refer

A motion to commit or refer is debatable, can be amended, and requires a majority vote.

To Amend

The motion to amend—that is, to change the words of a pending

motion—requires a second and is debatable if the motion to be amended is debatable. Amendments of the first degree and the second degree are permitted. Amendments of the third degree are not. An amendment must be germane (that is, closely related) to the motion to be amended. If not, it will be ruled out of order by the chair. A substitute motion is an amendment of the first degree.

To Postpone Indefinitely

The real object of this motion is to reject the motion to which it is applied. It is debatable and opens the main question to debate. It requires a majority vote for adoption.

Incidental Motions

Incidental motions arise out of the process of business (a pending question), and as a result they must be decided before a decision can be made on the question to which they are incidental.

Incidental questions that will be briefly discussed are:

1. To rise to a point of order
2. To appeal from the decision of the chair
3. To suspend the rules
4. To object to the consideration of a question
5. To divide a question
6. To call for a division of the assembly
7. To make a request growing out of pending business
 - a. To make a parliamentary inquiry
 - b. To request information
 - c. To ask permission to withdraw a motion.

To Rise to a Point of Order

While it is the duty of the chair to enforce the rules of the assembly, any member has the right to call to the attention of the chair any violation which occurs.

To Appeal From the Decision of the Chair

An appeal may be made from the decision of the chair only at the time the ruling is made. A majority vote is necessary before a decision of the chair can be reversed.

To Suspend the Rules

The rule or rules which interfere with the action which the assembly wishes to take may be suspended, provided they do not conflict with basic parliamentary law or with General Assembly Bylaws. Constitution and bylaws cannot be suspended.

To Object to the Consideration of a Question

The purpose of this motion is to present consideration of certain questions which the assembly may feel are not worthy of consideration. It requires no second, cannot be debated, cannot be amended, and requires a two-thirds vote. It must be proposed before debate and/or before the chair has stated any subsidiary motion.

To Divide a Question

This motion can be applied only to main motions and amendments. Parts of a question that are intimately related should not be divided.

To Call for a Division of the Assembly

The purpose for calling for the division of the assembly is to secure an accurate count of the vote, especially when the vote has been taken viva voce. This motion does not provide for a count. It provides for a standing vote. A counting of the vote must be called for by a motion to that effect.

To Make a Request Growing Out of the Business of the Assembly

This can occur during a business session when a member rises to the floor in order to

a. *Make a Parliamentary Inquiry.* This privilege should not be abused and will be prevented by the chair when such requests are made for any reason other than an honest attempt to secure information that is immediately needed.

b. *Request Information.* This request has the same privileges as a request for parliamentary inquiry. The primary difference is that the member may be seeking information from another member of the assembly rather than from the chair.

c. *Ask Permission to Withdraw a Motion.* After a question has been stated by the chair, it is in the possession of the group and cannot be withdrawn or modified without the approval of the assembly. However, until a motion has been stated by the chair, the proposer of the motion can withdraw or modify it in any way he desires.
